Experience

○ 2023 - 2023

Devops engineer

I am a dynamic and results-oriented DevOps Engineer with a strong commitment to enhancing the efficiency and reliability of cloud infrastructure and software development processes. Currently, I am a vital member of the Cloudlem team, where I play a pivotal role in ensuring seamless deployment, automation, and continuous improvement of our cloud-based solutions.

○ 2019 - 2022

Developer

I am a dedicated and skilled web developer with a rich history of contributing to the success of Uconnect. My journey as a web developer has been defined by a commitment to crafting exceptional online experiences and delivering innovative digital solutions.

○ 2018 - 2019

I am a dedicated and self-motivated individual who embarked on a journey to expand my knowledge and skills in the realm of computer basics and programming languages during 2018 and 2019. My passion for technology led me to pursue a series of courses that have enriched my understanding of this ever-evolving field.
